SECRETARY

GLF Construction Corporation

Miami, FL 33130

Dear Mr. Mazzi:

I want to thank you personally for your conscientious efforts during the 2013-2014 federal fiscal year to use Disadvantaged Business Enterprises (DBEs) on Department of Transportation funded projects. The State of Florida achieved 10.69% exceeding the 8.60% DBE goal established for the 2013-2014 federal fiscal year.

Your company was instrumental in the achievement of the state's goal. **The actual percentage reported for your company is 21.44% on 6 project(s). This results in a DBE utilization grade of A+.**

Your efforts are commendable and show a commitment to being a supportive partner in our efforts to ensure minority and female owned firms have the opportunity to obtain work on transportation projects in Florida. I encourage you to continue with these efforts that not only strengthen the overall economy of the State, but also strengthen the transportation industry.

If the Department can provide you with any assistance in the DBE Program, please contact Art Wright, Manager Equal Opportunity Office at (850) 414-4749 or [arthur.wright@dot.state.fl.us](mailto:arthur.wright@dot.state.fl.us). Also, you can visit the EOO website at [www.dot.state.fl.us/equalopportunityoffice/](http://www.dot.state.fl.us/equalopportunityoffice/) to view the 2013-2014 federal fiscal year grading scale and reporting criterion.

Thank you again.

Sincerely,

  
Jim Boxold  
Secretary
